## **Members to Benefit from New Agreement Between Amerinet Choice and Exergen Corporation**

Amerinet Choice, the private-label and sourcing program of Amerinet Inc., announces a new agreement with Exergen Corporation for temporal artery thermometry products.

Effective April 1, 2009, through March 31, 2012, the contract offers Amerinet members significant savings on Exergen products. Exergen creates non-invasive temperature measurement devices providing lower cost, higher accuracy, less invasiveness and greater reliability than ever previously possible.

### **About Exergen Products**

Exergen Corporation is the recognized world leader in industrial and medical non-invasive temperature technology. From providing temperature sensors for NASA and various industries to creating one of the world's most popular baby gifts, Exergen creates non-invasive temperature measurement devices providing lower cost, higher accuracy, less invasiveness, and greater reliability than ever previously possible. Founded by Harvard-research scientist Dr. Francesco Pompei over two decades ago, Exergen Corporation is based in Watertown, Massachusetts, USA.
