

# Merry Christmas

Dear Bob,

Another year is nearly over and we wanted to thank you for all you've done this year.

We hope you and your family have an enjoyable Christmas and wish you a very Happy New Year.

As part of our mission to change the way the world takes temperature we rely on you to help make it happen. Whether you are a customer, sales partner, vendor, or co worker you help us stay cool when the heat is on and warm us up when we are cold! Thank you and Happy Holidays! Looking forward to taking more temperatures in many different ways in 2014 with your help!

Best Wishes,

Bob Harris
